SANTA CRUZ DEL SUR,  
Cuba, Nov. 12.—Only the  
dead and a handful of rescue  
workers, risking contagion  
in their humanitarian cause,  
remained in Santa Cruz Del  
Sur today.

The town, once a busy fishing  
community of some 3,000 souls, was  
truly a deserted village.

Village Wiped Out  
Virtually obliterated from the  
map of Cuba, it harbored only  
burned and buried bodies and the  
soldiers and clergymen assigned to  
perform the last rites over a vil-  
lage wiped out by hurricane and tidal  
wave.

Those spared by the disaster left  
with all speed at their command  
aboard special trains sent down from  
Camaguey to complete evacuation of the  
town rendered prone by wind  
and wave.

But by strange paradox, the dead  
“population” of Santa Cruz increased  
almost by the hour.

Bodies Drift In  
Each backwash from sea and lagoon  
brought back to the town the  
bodies of one or more of its in-  
habitants swept to death when the  
25-foot tidal wave roared in from  
the ocean on the wings of the hur-  
ricane.

The corpses of men, women and  
children, their faces bloated, their  
clothing in shreds, drifted in from  
the sea and the lagoon in back of  
the town and bumped up on the  
sand beach.

Reverent hands carried the bodies  
to their final resting place. When-

As the result of an apparent error  
in the election returns from the sec-

R. L. Hildebrand, in charge of the  
official vote counting at the court  
house, ordered the Judge of Elec-

ballot box from that district Friday  
afternoon.

This action was taken for the  
reason that there were more votes  
tallied for assembly in that precinct  
than were cast. The tally showed  
260 votes, whereas the certificate of  
the votes cast showed 254.

As the result of a re-count, Dr. R. F. Galbreath, president of

principal speaker of the evening at  
the formal program which will be  
carried out in the Pulaski Presby-

## PRESIDENT REITERATES PLEDGE OF CO-OPERATION

EN ROUTE WITH PRESIDENT  
HOOVER, GLENDALE, Cal., Nov.  
12.—President Hoover today renewed  
his promise of full cooperation to  
President-Elect Roosevelt to speed  
the “restoration of prosperity.”

Speaking from the rear platform  
of his train, he called upon Repub-  
licans not to be discouraged by de-  
feat but to join in non-partisan ac-  
tion “to continue the recovery so  
evidently in progress during the past  
few months.”

Seeks Cooperation  
The President said he was rush-  
ing back to Washington, after a

three-day rest at his home in Palo  
Alto, to devote himself to the task of  
reconstruction.

His statement indicated the basis  
on which he will seek cooperation with  
Governor Roosevelt at a White House  
conference shortly to discuss national  
policies and programs. The conference is  
planned for early December after congress reassem-  
bles.

After his short address, the only one  
on his schedule on his return trip, the  
President and Mrs. Hoover drove to the nearby home of their son,  
Herbert Hoover, Jr., for a brief visit.  
It was the first time they had seen  
their sons newly built home. The  
party boarded the train again an  
hour later at El Monte.

BUTTON SAVES  
OFFICER'S LIFE

(International News Service)  
PITTSBURGH, Nov. 12.—A ban-  
dit suspect was shot and killed in a  
running gun battle that sent one  
patrolman to a hospital seriously  
wounded here today.

A button on his service uniform  
saved the life of a second officer  
who arrested F. A. Jedlick, 28, as a  
companion of the dead suspect.

Three bullets snuffed out the life  
of the suspect, identified as Elmer  
“Red” McCorkle, 35, as he fled from  
the Carrick car barns with two offi-  
cers in pursuit. At the officers closed  
in on McCorkle, he turned and fired  
four shots. Two bullets dropped  
Patrolman Howard Fielder, 33, but  
the second officer, George Stone, 29,  
fired the fatal shots while holding  
Jedlick a captive.

Jedlick, charged with being a sus-  
picious person, admitted, according  
to police, that he and McCorkle had  
been found and went after it imme-  
diately. The thief had not  
changed the license plate.

Just as Simlson was ready to drive  
away from this store the police drove  
up, identified the car and gave chase.  
Simlson was arrested in Ayers street.

Miss Kralup identified him at police  
station as the man who had held her

was found in his pocket. Mr.  
Smith was notified that his car had  
been found and went after it imme-

changed the license plate.

Meanwhile the police had been given  
a description of his machine  
over the police radio. It was located  
in front of a store which it is be-  
lieved was to have been the scene of  
a second holdup, but there were  
several persons in the store and it  
was not attempted.

Plan To Stop And Inspect

ABOARD PRESIDENTIAL SPE-  
CIAL ENROUTE TO WASHING-  
TON, Nov. 12.—President Hoover  
was eastward bound today to wind  
up his administration.

Behind him were three days of much  
needed rest at the Palo Alto  
home, ahead are days of trying ne-  
gotiations over postponement of next  
month's installment of Europe's war  
debt.

Great Britain's formal bid for an  
extension of the moratorium had  
started the president back from Cal-  
ifornia's balmy weather a day earlier  
than scheduled. France, Italy and other  
major debtors nations were ex-  
pected to make similar proposals  
forthwith, now that the elections are over.  
One stop only involving a speech  
had been arranged on the way back to Washington. That was  
scheduled for 9 o'clock this morning at  
Glendale, a suburb of Los Angeles.  
There, President Hoover will greet his friends of Southern California  
and thank the voters who stood by him in his defeat.

To Visit New Home.  
From Glendale, the presidential  
party was to motor through Pas-  
adena to the new home of Herbert  
Hoover, Jr. Mrs. Hoover put this  
half hour layover on the itinerary  
because she wanted to see her elder  
son's just completed house.

Both of the Hoover sons, Mrs.  
Herbert Hoover, Jr., and the three  
children rode the special train into  
Glendale, all to return to work in  
Los Angeles and the junior Hoovers  
to open their home for parental in-  
spection.

Aside from the Glendale stop, the  
president planned several rear plat-  
form appearances to oblige the re-  
quests of loyal Republicans enroute,  
but no speeches. Traveling by the  
shortest route, his train will pass  
through Yuma and Tucson, Ariz., El  
Paso, Kansas City and St. Louis.  
Several momentary pauses were on  
the schedule for such towns as Po-  
mona and Colton in Southern Califor-  
nia tomorrow morning.

ALBANY, N. Y., Nov. 12.—For the second consecutive day President-elect Franklin D. Roosevelt remained in bed at the executive mansion, suffering from a severe cold which has resulted in a slight temperature.

At the suggestion of Mrs. Roosevelt, the governor cancelled his plans for spending the week-end at their Hyde Park home. Instead he will remain in bed at the mansion until he has thrown off the cold. He sent word that he would see no one until next Tuesday.

Dr. L. W. Gorham, the Roosevelt family physician in Albany, was expected to visit the president-elect again today. After Dr. Gorham had called at the mansion yesterday it was announced that Mr. Roosevelt was "running a slight temperature, but that there was nothing in his chest and no infection in his throat."

After visiting the governor at the mansion for a few minutes last night M. H. McIntyre, campaign business manager said:

"If Mr. Roosevelt was not tired out from the campaign, I doubt that he would stay in bed, despite his cold. But it's going to give him a good chance to rest up."

### Church Organized

St. Vitus Parish had its inception in 1899. Due to immigration, the Italian Colony here had become quite large and the people desired a priest of their own nationality. They had previously been attending St. Joseph's church. Through the efforts of the Casa Savoia and leaders of the colony, Bishop Regis Canevin was prevailed upon to have a priest locate here. The parish was formed and purchased the Methodist church that stood on the site of the present church. The church was changed and dedicated and used for the first time on Christmas morning 1899. The Franciscan Fathers were in charge from that time on for a period of five years. The Franciscan Fathers gave up the work, and Bishop Canevin, was prevailed upon, in 1905 to send Rev. Fr. N. DeMita, who had been conducting a most successful work throughout the Diocese of Pittsburgh, among the Italian people, to take charge. He assumed charge the first Sunday in October of that year.

He found much to discourage him but persevered and after taking a census and finding four hundred families here, he started to work. Soon there was not room in the church at the two masses for the people attending.

The old church was dismantled and on August 15, 1906, the cornerstone of the present handsome edifice was laid, with Father G. Griffin, superior of the Apostolate with which Father DeMita was affiliated, officiating, he having been delegated by the bishop.

The church has been decorated twice, first by Pasquale Contestabile, a local artist and again eight years ago by David Gaibis, another local artist. The parish not only has the beautiful church, but a school department in the church, which was operated for nineteen years, a convent and equipment valued at \$150,000, all secured through the efforts of the pastor and the people of the parish. The pastor will announce the parish to be free from debt on Sunday, the mortgage, which was originally \$54,000, having been burned.

Various societies donating to the altar were as follows: Mother of Sorrow Society, Mrs. Frank Gebbia, president; \$100; Knights of St. Vitus, Vitus Conti, president, \$25; Italian-American League, Attorney Joseph Leta, president, \$25; Societas Duca Degli Abruzzi di Croton, Frank Casimieri, president, \$20; Societas Casa Savoia, Angelo Ginocchi, president \$15; Loggia Trionfo Italico No. 1171, Giannini Di Lorenzo, president \$15; St. Vitus Branch L. Late last night, when darkness had closed in over the strangely quiet sea which only a short while before had been a maelstrom, a mass funeral was held for several hundred of those who lost their lives in the disaster.

The imminent danger of pestilence had made impossible burial of the hundreds of dead found with the first search of the ruins.

Covered with tarpaulins and blankets, they were placed in a huge pile on the beach. Soldiers, moving swiftly but quietly, sprayed the pyre with kerosene and applied the torch.

As the flames rose, cutting into the blackness of the sky with flickering scarlet spears, Enrique Perez, the bishop, who spoke in English, Father Bonaventure Piscopo spoke in Italian.

## Election Outfit Is Taken For A Ride

As the result of a misunderstanding in Puiaski as to where the recent election was to be held, the election equipment was moved the night before election from the basement of the Presbyterian church to the Robinson building.

As the equipment was being unloaded from a truck passersby recognized the property and notified the county commissioners. Under their instructions the property was returned to the church about midnight and was ready for use when the polls opened on Tuesday morning.

partment officials, but it was intimated they dealt not only with the debt installments due on December 15, but also with future payments. Similar representations from the Italian, Belgian and other debtor governments was anticipated. Reports from European capitals stated that all the debtor countries were working in unison in the matter.

### Cites Conditions

The British note, it was understood here, informed the American government that Great Britain is prepared to make the December 15 payment of some \$95,000,000, as scheduled, but points out the difficulties of doing so. It is reported to cite the difficulties of obtaining the required amount of foreign exchange, especially in view of the recent "raid" on the Pound Sterling, the world-wide slackness of trade, and other factors in the general economic sphere of things. It is understood to pass the broad hint that the United States could greatly ease the whole economic situation by deferring collection of this installment for a few weeks or months.

Coupled with this is the even broader hint that unless some new arrangement can be worked out, Great Britain may be compelled to default on all future installments. The French note is believed to follow a similar tenor.

This links up, by inference at least, the dislocations to the world economic structure which the debtor governments claim are caused by the debt payments with the principal objects for which the monetary and economic conference was called.

The answer to the parallel so obviously drawn is that the debts should be discussed at the conference.

Funeral services will be held Monday, November 14, 1932 at 2:30 p. m. at the family residence, 319 North Locust street, with her pastor, Rev. James Ferguson, in charge. Interment will be made in Greenwood Memorial park.

Mrs. Hannah Michael, aged 80, died at 4 p. m. Friday in the home of her nephew, T. W. Michael, Volant, R. D. 1, after an illness of complications which confined her to bed the past three weeks.

She was born in Washington township. She was a member of the Rich Hill Presbyterian church.

Funeral services will be held Sunday at 2:30 p. m. from the Michael home, with Rev. A. I. Dickinson officiating. Interment will be made in the Rich Hill cemetery.

### W. W. Waddington Funeral

Funeral services for William W. Waddington were held from the home of Rev. Dr. G. S. Bennett of the First Christian church officiating.

Miss Brown stopped within a few feet after striking the man, he stated.

Harold Blewitt of 422 Norwood avenue testified that he had just turned onto Highland avenue and was driving south, when he saw the collision. He had not noticed the man or the car in particular prior to that time, but saw the light extinguished when the car struck the man and noticed his umbrella fly into the air.

Miss Jessie Kildoo, owner of the machine, stated that she had only been driving since last spring and often permitted Miss Brown to drive for her because she did not like to drive herself.

She stated that it was impossible for her to see anything at the time of the accident because of the rain on the windshield and that she did not see Mr. McCreary until he was struck. The car was going barely more than 20 miles per hour, she stated.

Miss Brown, who was driving the machine, stated that it was difficult for her to see because of the rain, the only spot in which she could look out being where the windshield wiper operated.

She said she did not see Mr. McCreary until he was directly in front of her car. She tried to swerve to the right and applied the brakes at the same time, but was unable to avoid hitting the man.

The jury was composed of Leonard A. Campbell, William S. Lewis, Harry B. Steiner, Ralph T. Jordan, Charles E. Allen, and J. N. McCandless.

As the result of a misunderstanding in Puiaski as to where the recent election was to be held, the election equipment was moved the night before election from the basement of the Presbyterian church to the Robinson building.

As the equipment was being unloaded from a truck passersby recognized the property and notified the county commissioners. Under their instructions the property was returned to the church about midnight and was ready for use when the polls opened on Tuesday morning.

## CLASS HOLDS ANNUAL EVENT AT CHURCH

An enjoyable social event of Friday evening took place in the parlors of the First U. P. church when members of Mrs. W. Scott McCaslin's Sunday school class entertained at their annual spaghetti dinner. As special guests they had those who assisted them with the playlet given on October 25, namely, Mr. and Mrs. Ed Bolland, daughter June and son Edward, Jr., Mr. and Mrs. Walter Reneker, Misses Edith Moore, Mollie Komar, Freda Ungar and June Fisher.

At the appointed hour the guests, numbering 47, were given their places at tables arranged in a huge triangle and decorated in tones suggestive of the season. The committee in charge, including Virginia Scheffner, Pearl McClure and Alice Ebeling, assisted by Kathryn Winter, Myrtle Preston and Martha Wells, served a very delicious menu of spaghetti prepared by Mrs. Roy Hughes, and all the dishes that completes such a feast, which was enjoyed by candle light. The rooms throughout were attractive with numerous colored lights and other decorations, this part of the program being in charge of Agnes Keane, Pearl McClure and Mr. and Mrs. Reneker.

Immediately following the feature, the guests gave their attention to the Misses Keane and Ruth McBride, who made each in attendance perform in the various games, contests, etc., which kept the remaining hours enlivened.

## Lena Richards Plays.

Miss Lena Richards, pianist, was among the entertainers who took part in the musical concert given Thursday evening in the Reformed Presbyterian church.

She opened the program with a splendid number, "The Improvisation," by McDowell, and responded with an encore. Inadvertently the name of Miss Richards was omitted from the report of the concert given in Friday's News.

Mr. Marshall Bidwell, successor to Mr. Charles Heinroth, Organist and Director of Music at the Carnegie Institute of Pittsburgh, will present, during the season at his regular Saturday night and Sunday afternoon programs, the first of a series of compositions by Garth Edmundson. In the group, to be given Saturday night, November 12th, Mr. Bidwell will include a new nocturne recently completed and played for the first time in Pittsburgh.

The concert variations, which were played last season in Pittsburgh at both the North Side and East End Halls and many Church recitals, will also be included in the Saturday night program. Recent places where the variations have been used, include the University of Florida and the Riverside Church of New York City.

Mr. Edmundson has just returned the proofs of a Suite in Miniature for Christmas, which the H. W. Gray Company of New York City, sole agents for Novello & Company, London, are bringing out in a few weeks.

Mr. Harvey B. Gaul, in last Saturday's Post, also included Mr. Edmundson's name in his list of outstanding younger American composers.

New Castle is indeed fortunate to possess a man receiving such widespread national and international recognition.

"I wonder if it is too idealistic to  
look forward to the day when we  
will have a department of peace in  
the government and a secretary of  
peace and good will at its head" said  
Dr. Robert F. Galbreath, head of

ence in Temple Israel, as he gave

ent; Sunday school 2:30 p.m.;  
preaching and fellowship sermon  
3:30 p.m.; service 7:45 p.m. "Fall-  
ing Away."

He concluded his talk with a  
dream for the future; that of a de-  
partment of peace for the govern-  
ment and a secretary of good will  
at its head; a man who would be a  
mediator between the United States  
and other countries, who would in-  
terpret the hearts of the American  
people and paint us in favorable  
colors to the nations.

This is probably beyond our gen-  
eration, but he said, if it is pro-  
jected, gradually the department of  
war will pass out and in its place  
a department of peace will be es-  
tablished if the nations, the people,  
build together, whatever petty dif-  
ferences of belief they have.

The brotherhood of man must  
overflow the world, overlook the  
difference of color and creed if we  
would have peace established on this  
earth.

"This is a beautiful dream" Dr.  
Galbreath concluded, "but it is not  
impossible if we dream with God,  
who in his own good will will bring it  
to pass, for with Him all things  
are possible, for the things that de-  
stroy man God waits to destroy."

At the close of the church service  
the congregation and friends were  
invited to the assembly room of the  
church, where Mr. and Mrs. Marcus  
Feuchtwanger were hosts at a re-  
ception held in Dr. Galbreath's  
honor.

A beautiful silk American flag  
swung over the pulpit of the Temple  
Friday evening, this was the gift of  
Mr. and Mrs. Marcus Feuchtwanger  
and will be used to adorn the pulpit  
on all patriotic occasions.

## Ex-Service Men At Annual Dinner

Armistice Day Is Concluded  
With Get-Together For  
35 Local Veterans

Armistice Day always closes for a certain group of ex-service men in New Castle with a dinner. No matter where they have been during the day or what has been going on, they gather for this informal dinner and last night the crowd, 35 in number, gathered in a local tea room for the annual affair.

Usually the last man in draws the assignment as toastmaster, and on Friday night W. Russell Allen was the late one arriving. Everybody speaks on any subject he cares to, but usually it has something to do with the war.

James J. McMillin, a navy man during the war, and a member of the merchant marine for a number of years since spoke at some length on some of his experiences on the foreign seas, and because he was so interesting most of the men cut their time to permit him more.

For next year's dinner James A. Fletcher has been appointed chairman. There are no officers, no constitution, no rules or regulations—only a temporary chairman whose duty it is to get the eating place and notify the crowd.

Just before the dinner Mister Spear and Miss Mint barged in and found eight men with Wrigley's gum in their possession, and for the lucky eight the dinner cost nothing, due to free dollar bills.

Rev. Norris White, pastor of the church, has prepared a special sermon for the young people who will attend in a body.

Fine Attitude Of President  
Hoover Is Aid To Market Recovery

### PROFIT TAKING QUITE EVIDENT

By LESLIE GOULD  
International News Service Financial Writer

NEW YORK, Nov. 12.—Strength in grains today offset heavy profit-taking and a poor car loadings report and the stock market pushed into new high ground for the recovery.

Advance knowledge that President Hoover in a speech shortly before noon would pledge full cooperation with the new administration was an added factor in the rise.

Wheat rose nearly 2 cents a bushel, corn about a cent and barley 2½ to 4 cents when trading was resumed after yesterday's Armistice Day holiday. This followed strength in Liverpool the last two days.

The wheat stocks responded with substantial gains, Case Threshing spouted about 3 points more against the shorts, while International Harvester, Montgomery Ward and Sears, Roebuck were strong.

The whole market followed this group, even the rails joining despite their traffic decline, Union Pacific, Atchison and Delaware & Hudson rising a point each.

American Telephone, the star of the last two days, was sluggish on profit-taking. The U. S. Steel issues were held back by the decline in Youngstown steel operations.

The liquor and beer stocks reflected further profit-taking and worked lower.

Further short covering lifted Auburn nearly 2 points on top of yesterday's run-up. Auto shares were generally improved in the face of the price war looming in the low priced field.

Trading was less active than yesterday's session. The dollar continued to show a strong tone against European currencies.

School Subsidies Are Discussed At State School Gathering

Dr. C. C. Green, Superintendent of schools is home after attending the Educational Congress held in Harrisburg by the Department of Public Instruction. This congress of educators was important from the first that the proposals to amend the educational laws of the state were before them.

The matter of school subsidies was discussed and Chester H. Rhodes a member of the Legislature from Monroe County and a member of the Educational Commission appointed by the governor addressed the educators. He spoke of the proposal to level the school appropriations by giving the wealthier districts less and the poorer districts more of state money. This would mean that the rural districts in many cases would get most of their school money from the state and some of the city and wealthier townships would have their appropriations reduced.

The consolidation of some school districts was considered and the matter of income taxes for school purposes explained. All of the matters under discussion will come before the next Legislature for action.

# FARMER IS SLAIN IN BATTLE WITH OFFICERS

## State Trooper Also Wounded

Battle Occurs At Farmhouse  
Near Uniontown, On  
Friday Afternoon

## FARMER FIRES AS ARREST IS NEAR

(International News Service)

UNIONTOWN, Pa., Nov. 12.—Gun-shot and tear gas bombs today had silenced Wayne Lynch, 73-year-old farmer, whose rifle shot into a group of three men and four boys yesterday started a gun-battle that brought his death and serious injury to state trooper and 10-year-old boy.

Lynch was killed in his farmhouse by Corporal William Hanna after the officer was wounded in the neck by a shot from Lynch's gun. At the Monessen-Charleroi hospital, physicians reported Hanna's condition as serious.

The rapid-moving drama started Friday after Lynch wounded Samuel Kent, 10, of Elko, one of seven persons congregated on an adjoining farm. The shot, police said, was believed intended for Lynch's son-in-law, Jacob Cross, a deputy game warden and a member of the group.

**Barricaded Self In House**

Investigation by District Attorney Wade K. Newell revealed that Lynch had become angered because he was unable to collect a \$210 loan he made to Cross.

After Lynch's attack, a warrant was sworn out against him but constables were unable to serve it. State police were summoned and Lynch barricaded himself in bedroom on the first floor of his farmhouse.

Corporal Hanna, accompanied by troopers Howard O'Donnell and Joseph A. Hoffer, and Wall Lynch, a son, tried for half an hour to persuade the man to surrender.

"You get your head out of there or I'll blow it off," was his only reply.

Finally, he consented to give up, but as the door swung open he sent a volley of fire into Hanna's neck. Hanna returned the shot, hitting Lynch in the chest and death followed shortly.

## Bessemer High Defeats Union; Final Score 2-0

Safety Scored First Period Gives Bessemer High Victory

### GAME PLAYED ON SLOPPY FIELD

Bessemer High School football team handed Union High's grid machine a 2 to 0 upset yesterday afternoon in the mud out at Bessemer High field. A safety scored in the first period was sufficient to give the Bessemer High team their victory. Union's team was just a little too confident. Quite a large crowd attended the game.

In first downs Union had six and Bessemer four, but they didn't pay off on first downs. In the matter of forward passes Union also had the advantage making good four out of eight, while Bessemer didn't complete any out of two attempts, but touchdowns are what count, only in this case it was a safety that counted. The field was covered with mud and water.

Union's team was crippled in the very first quarter when Referee Donovan banished Allen from the game for "slugging."

The best bets in the Bessemer line-up were Percie, Slavish and DeArment, this trio breaking up many Union plays and also performing well on the offense. The playing of Endrees, Monico and Morrison was the best for Coach Dave Boyd's men.

#### Punt Is Blocked

The Bessemer safety came with a blocked punt in the first period. Union kicked off to Bessemer and the Bessemer boys failed to make much headway. Union got the ball on their own 16-yard line after a punt. Phillips tried a reverse play and lost 14 yards being thrown on the 2-yard line. Phillips dropped back of his own goal line to kick, the ball was blocked and it was recovered by Pezzulo for Bessemer behind the Union goal line, which was counted as a safety.

Union had the ball on their own 20-yard line when the first quarter ended. Union began a steady march down the field at the start of the second period and lost the ball on the Bessemer 20-yard line. Bessemer was forced to defend their goal for almost the entire period. Union twice worked the ball well within the shadows of the Bessemer goal line and twice Bessemer punted from the 2-yard line.

#### Pass Intercepted

Hulme of Bessemer halted a Union touchdown when he grabbed a pass thrown by Monico intended for Morrison. The first half ended 2 to 0 after several more punts were exchanged. Neither team was able to gain consistently.

Union fought with their backs to the wall for the third period. Bessemer threatened to score late in the quarter but Monico grabbed a pass and the rally was halted.

With the start of the fourth quarter Union after taking the ball on downs, began a series of forward

### "DON'TS FOR GAME HUNTERS"

Hunting Accidents May Be Averted By Obeying These "Don'ts"

With the hunting season under way the American Game Association at Washington, D. C., has issued a list of "Life Saving Cautions" in the hope of avoiding accidents.

Common among the causes of fatality and injury are: pulling guns through fences; guns knocked down by dogs; accidental stopping of barrels with dirt; leaving obstructions in barrels, cleaning rags, rods and the like.

Here are some of the "Don'ts" for game hunters:

**Don't** carry your gun put together in automobiles; wagons, etc., it's the "unloaded" gun here that shoots, too! Many states have laws against carrying uncased guns in automobiles.

**Don't** shoot your gun after putting it together, until you have looked through the barrel or barrels and find it clear.

**Don't** pull guns through fences; carry them over the fence with you, keeping the muzzle pointed away from yourself and others. If a breech loader, open it before crossing.

**Don't** set your loaded gun against a tree or leave it lying on the ground if you have dogs about when you stop to rest; they may knock it down or step on it.

**Don't** lay your loaded gun down in the bottom of a boat; picking it up sometimes causes it to discharge accidentally and shoot the bottom out.

**Don't** shoot your gun after falling, climbing a bank or walking over newly plowed ground until you have examined the barrel and find it clear.

**Don't** let your gun muzzle point toward water for, if the gun is fired with muzzle under water, it will explode in most cases.

**Don't** shoot at movement—it may be a man, cow or other livestock. Besides, every sportsman not only wants to see his game, but hit it in a vital spot."

### Duquesne Hands South Dakotans 34 To 12 Defeat

Duquesne University football team rose to great heights yesterday afternoon at Forbes Field, Pittsburgh, by handing a highly touted South Dakota eleven a 34 to 12 setback. McDonald, a youngster from Waynesburg, Pa., playing at left-halfback for the Dukes tallied four touchdowns, and was easily the outstanding player. DeCarbo and Ciccone played fine football for the Dukes.

### Class AA Games Prove Interesting

Three games were played Friday in the Class AA schoolboy conference, with few surprising results. The favorites came through in each instance.

Charleroi High turned on the heat and handed Washington High a 19 to 6 setback. Greensburg High came through with a 13 to 0 victory over Monessen High. McKeesport's powerful team handed Norwin a 45 to 0 drubbing to stay in the title race.

In a non-league game Aliquippa handed Clairton High a 7 to 0 setback.

Other games yesterday were as follows: Beaver Falls 44, Monaca 0; Youngstown Memorial High 18; Chaney 0; Sharon 13; Greensville 6; Butler and New Kensington battled 0-0.

### Reider To Start For Pitt Against Nebraskans Today

(International News Service)

LINCOLN, Neb., Nov. 12.—Jock Sutherland led his Pittsburgh Panthers into the cornfields today to tangle with Nebraska's gridiron aggregation in an intersectional battle. Prospects were that feathers will fly at the stadium this afternoon, despite the fact that the undefeated Panthers, conquerors of Notre Dame, were the overwhelming favorites.

Nebraska leads the Big Six conference and it has been years since an opponent of the Cornhuskers has romped away with a game.

Coch Sutherland indicated that three of his regulars, Daily, Weinstock and Cubic, may remain on the sidelines during the hostilities because of injuries which have failed to respond to treatment satisfactorily.

Captain Paul Reider will start the game at his old position at right-half.

### New Castle And South High Are Battling Today

Youngstown High Eleven Hopes To Stop Winning Streak Of "Red Hurricane"

New Castle high school's "Big Red Hurricane" football team is battling Youngstown South high school grid machine at Taggart field, this city, today. The game got underway at 2:30 o'clock.

The day was genuine football weather, with a lot of cold breezes and a touch of snow here and there. The day was just right for a big overcoat and a blanket.

The Youngstown team had hopes today of stopping the winning streak of the powerful Bridenbaugh machine. Both teams were defeated up until today.

A crowd of perhaps 500 to 1,000 from Youngstown came to New Castle for the battle.

Sacred Hearts To Practice Tonight

The following will try out for the team: Tony Cooper, Bill Cooper, John Lemer, Vincent Gallagher, Don LaRocca, Jimmy Ross, Mose Mancine, Tony Gennock, Tony Santos, Andy Venditto, Fred Marcella, Chill Tommasello, Vigil E. Gennock, Lanigan, and others wishing to try out for the team are asked to report.

This left Greenwood and Matsuyama tied for third place. The leaders are Frank Scoville, Buffalo, and Joe Chamao, New York. They will play at Dwyers, New York, tonight.

In a swimming meet at the Slippery Rock Teachers new meet last night three marks were broken. Mary Cosgrove clipped 38 seconds from the 220-yard junior A. M. A. free style record.

She belongs to the Homestead Library swimmers. Another member of the same team, Johanna Gorman, beat the senior A. M. A. back stroke record at 150 yards in two minutes, five seconds.

Rollason scored the touchdown that gave the Waynesburg team the victory. The touchdown came in the final quarter after Genevillie had taken the lead in the third period when Grahebo booted a field goal to give the Genevillies three points.

Geneva held the Waynesburg team on the one-inch line, and the ball was booted out to the center of the field, and Waynesburg worked it right back to the five-yard line from where Rollason slipped over.

The field was sloppy and slippery from recent rains.

## Federal Prison At Lewisburg Done

Will Transfer Prisoners From  
Atlanta To New Institution  
In Few Days

LEWISBURG, Pa., Nov. 12.—America's most modern prison, the new Federal prison in Lewisburg will be in use in a few days it was announced here, arrangements having been made to transfer a group of prisoners from Atlanta shortly. With a capacity of 1200 it is planned to keep it from being over crowded.

No prison in America has more ideal facilities than the new Lewisburg prison. Yet in spite of the modern facilities the cost is much under that of other prisons. The total cost of construction was approximately \$2000 per inmate whereas some prisons of the old style have cost twice that.

The main building group com-  
prises a walled area of about thirty  
acres while the whole prison reservation  
is about 1000 acres in extent. The plant lends itself to scientific  
segregation and classification as well as providing a sufficient number of  
steel cells of modern construction.

Major Henry C. Hill, formerly  
warden of the Illinois State penitentiary  
at Joliet, Illinois, who will be in charge  
is considered to be one of the  
most modern prison officials in  
America. The total cost of the prison  
will be under \$3,600,000 which is  
\$250,000 less than authorized by con-  
gress.

Mr. and Mrs. Elmer Humphrey  
and children, Hubbard, O., were week  
end visitors at the home of their  
aunt, Mrs. Sarah Johnson.

John Rodgers, Jr., Martins Ferry,  
O., called at the home of James Os-  
borne Saturday. He was accom-  
panied by his brother Joseph.

Mr. and Mrs. Clair Heckathorne  
and children spent Sunday at the  
home of their parents Mr. and Mrs.  
F. A. Woods. Mr. Woods is indis-  
posed.

Mr. and Mrs. S. W. Ligo and Mr.  
and Mrs. Russell Ligo and children  
of Cool Springs were dinner guests at  
the home of Mr. and Mrs. Joseph  
Bowen, Sunday.

Mr. and Mrs. Harold Heckathorne  
attended the funeral of her aunt  
Mrs. Edward Burdette, which was  
held at the church in Sharpsville,  
Tuesday afternoon.

Mrs. Howard Pyle returned home  
Sunday morning after attending  
funeral services of her sister Mrs.  
Ann Donna Webb, who died at the  
home of her daughter near Chicago.

The remains were brought to Warren,  
O., where the services were held  
with interment in Warren City cemetery.

Every seven years Armistice Day  
comes on Saturday, and next year  
is the year it does. New Castle gets  
the Armistice celebration and the  
ex-service men should begin now  
making plans for a proper observance  
of the day for it will be the  
15th anniversary.

Had a long sea trip last night,  
from San Diego, Cal., down to San-  
tander and Pernambuco and on up to  
London and Liverpool. Jimmy Mc-  
Millin conducted the trip at the  
Armistice club dinner and got a lot  
of laughs to the mile.

For a cosmopolitan crowd that  
one seemed about as well mixed last  
night as you would care to see. The  
dinner talk ran the gamut from  
the adventures of Ghengis Khan to  
the actions of a London Bobby.

There were men there who had look-  
ed death squarely in the face and  
laughed, men who had stood watch  
on decks that were swept with icy  
water as the fleet patrolled the North  
Sea. Men who knew what war was  
in all its gruesome horror, who saw  
it stripped of all its pomp and cir-  
cumstance, and having seen it, hope  
their younger brothers and sons will  
never have to like it.

Mr. and Mrs. Raburn Iseman, of  
Elwood City, spent the week end at  
the home of Mr. and Mrs. J. J. Butera.

Steve Churan, who has been a pa-  
tient at the New Castle hospital  
for the past several months, is slow-  
ly improving.

Mr. and Mrs. John Toth were  
Sunday visitors at the home of Mrs.  
Toth's parents, Mr. and Mrs. John  
Vesko, of New Castle.

Miss Mandress Snodgrass, of Slip-
